Jeffrey G. Hemmett

To whom it may concern:

I am writing in regards to a recently issued patent:

**US 7,403,884 B2**  
**TRANSIENT SIMULATION USING ADAPTIVE PIECEWISE  
CONSTANT MODEL**

---

The reason I am writing is that my middle initial is incorrectly listed in the final filing, listing an 'E' (as in Jeffery E. Hemmett) when it should in fact be 'G' (Jeffrey G Hemmett). It would be appreciated if this could be corrected, and a new copy of the patent be sent to me.

Sincerely,

Jeffrey G Hemmett
